This elegant villa is part of a beautiful small residential complex of 5 individual villas in the Fanadix area of Benissa. In a green area. Close to a few beaches and centrally located between Moraira and Calpe. Both places are 10 minutes away. The architect has designed the complex in such a way that it is integrated into the environment. The location is quiet and close to many amenities. This model is the most economical of the 5 villas. All on one floor. From the entrance hall you enter the open plan living-dining area and fully fitted kitchen. From here you have direct access to the pool terrace and barbecue area. There are 3 bedrooms. The master bedroom has its own bathroom and dressing. The two other bedrooms share the second bathroom. There is also a laundry room. The large windows provide a lot of natural light. Floor heating, air conditioning (hot/cold), double glazing (climalit) and pre-installation of alarm. Energy efficient (certificate A). Off-plan!
