This large and very impressive seaview villa is located in an exclusive area of the Costa Blanca - Moraira. The location is fantastic with an excellent selection of bars, restaurants, shops and supermarkets all close by and within walking distance. The villa has a total of five large bedrooms and five bathrooms with two kitchens and two dining /living rooms (one on each floor). All the rooms in this property are large, spacious and bright plus there is a useful utility room and spaces for storage. The property is distributed over a double plot and the garden is mature and surrounds the villa. The outdoor spaces are perfect for entertaining family and friends and includes a Naya currently used as a relaxing setting area, two swimming pools (a large pool for children and a pool for adults both with showers), and a lovely summer kitchen with bbq area, dining space and a gazebo. The interior decoration of the house is unique and features furniture, light fittings and tiles that have all been designed and imported from Italy. There is even a beautiful Murano glass chandelier.
