Project for an outstanding modern design villa for sale in Cumbre del Sol, Benitachell. Sophisticated architecture, incredible sea views and spacious, bright areas. These are some keywords that apply to Villa Marina in the luxury residential area Jazmines in Cumbre del Sol, Benitachell. The villa has 3 floors. The entrance of the villa is on the highest level where we also find the garage for 2 cars. The huge, bright living - dining area is an absolute highlight. There is a modern open kitchen with island and first quality appliances. Of course with direct access to the pool terrace with its fantastic sea views. Furthermore, we find the master suite on this floor. A huge room with en-suite bathroom, dressing area and private terrace. A guest toilet and laundry room complete this level. To go down you can take either the elevator or the internal staircase. Here you find 2 more bedrooms en-suite, the second lounge area (or TV room), an outdoor toilet and a covered outside area, ideal for al fresco dining.
