views: Sea view
parking: Garage
orientation: Orientation East , Orientation South

Another fantastic project in the Sierra de Altea. Spacious, bright modern villa with excellent sea views and views towards Benidorm. Set in a natural environment in a closed urbanisation with unique design villas. The villa is distributed over 3 floors which are connected by an elevator. On the main floor of this modern design villa for sale in Altea we find the living-dining room with adjacent open plan kitchen with cooking island / breakfast bar, a laundry room, guest toilet and a bedroom en-suite with private dressing room. From all rooms you have direct access to the extensive pool terrace, partly covered to provide shade and partly open to enjoy the sun in full. On the top floor there are 3 bedrooms en-suite, all with dressing room. In the basement is bedroom en-suite number 5. A room that could also be used as an office. On this level a spacious garage for 2 cars.
