Description

Built on a plot of 837m², the villa has a living area of 375m² divided over three levels Description : From the main entrance gate, there is a sloping driveway down to a parking area with access to the main door of the house. Immediately on entering to the left, there is the master suite with a dressing room and multiple wardrobes with sliding glass doors. It is a spacious bedroom with its own shower room. This suite has privileged access to a spacious terrace offering spectacular panoramic views. To the right of the entrance, a few steps lead to a very spacious mezzanine overlooking the living room and the dining room . This

mezzanine could be used as office space or a further living room etc. or with relative ease be converted into another en suite bedroom. From the mezzanine, a second staircase gives access to the m...
