Description

Here we have a super character villa in a great location on the upper slopes of the Montgo. The property is located in a private cul de sac with only two other houses in the street and as a result the property is very private and tranquil. The location is such that the house feels tucked under the imposing buttresses of the mountain behind with good views down the valley to the distant hills. The villa is constructed on one level with another room underneath that has a bathroom and space for a double bed. Additionally, there is a garage with two further large storerooms/workshops associated. The outside areas are dominated on one side by a large (10m x 5m) swimming pool and terrace in a fabulous sunny position. In front of the entrance drive there is a car port and then the garden weaves gently down the various terraces behind the house until it reaches a dry barranco (water course). T...
